6th September 2010

Dear Parents and Carers,

We value your involvement in your child's care and education and aim to involve you in all our decisions regarding their welfare. In order to keep children safe and healthy in line with the Children Act 2004 and the government legislation based on 'Every Child Matters', we continually strive to keep our policies up to date and relevant to the needs of the children in our care and their families.

We are working to display all our policies on the school website and update them as necessary. Paper copies are available upon request from the office and much of the information contained in the policies is available in parent handbooks given at the time of registration. Please be aware that policies are frequently reviewed and updated to meet the ever changing legislation and circumstances of our pupils.

We are proud of the quality and diversity of our school with the rich combination of skills and experiences of our pupils' families. As partners in your child's learning, we value your views and would therefore like to make you aware that all your comments and ideas about our policies are welcome. If you should particularly support or disagree with the content of any policies we would like to hear from you. Likewise if you should feel that any policies are missing please do contact Mrs Baker in writing or by appointment.

Thank you for your continuing support

Yours sincerely

Carole Baker
Headmistress
